

# ZWO ASI Image of the Week Rules

Including the hashtag #ASIWEEK on your images in the Facebook group [ZWO ASI Cameras](#) means you agree to the following rules of the ASI Image of the Week Competition.

- 1. Images must be posted in the ZWO ASI Cameras Facebook group and include #ASIWEEK in the description to be counted as a valid entry.
- 2. An image may only be submitted once unless there are noticeable differences, i.e., more data added or processed differently.
- 3. If you win one week, you cannot enter the next week.
- 4. Your image must be captured exclusively with an ASI camera. The camera model must be mentioned in the description. (Other guide cameras are okay).
- 5. Images must be taken no longer than two months before submitting. Adding data from a previous year will be accepted if the new data was taken no longer than two months before submission).
- 6. The same target will not be chosen as the image of the week two weeks in a row. If the Rosette Nebula was an image of the week last week and you have a good Rosette, wait another week before submitting it so you have a chance.
- 7. You can submit as many images as you like in a week so long as they follow all other rules. (Don’ t rush your images to get lots of submissions, quality over quantity)
- 8. Winning images will be put in a frame designed by ZWO and posted by ZWO in ZWO ASI Cameras every **Thursday**.
- 9. Winner of each week will be jointly selected by judges and all ZWOers. The one who get the highest scores will win. Two components of the scores,

80%	20%
Scores given by judges	Likes of your post

10. Every 3 months, we will select one champion of the quarter from all the ASIWEEK winners during last 3 months. The champion of the quarter will also be jointly selected by judges and ZWOers. The one who gets the highest scores will win. Two components of the scores,

<b>Scores</b> given by judges	<b>Likes</b> of your image in Album of ZWO ASI Cameras Facebook page

*There will be 4 champions of the quarter in one year. Each one will be rewarded with an ASI AIR Plus 256G.*

11. At the end of the year, there will probably be around 52 ASI WEEK images. As always, the top 12 that get most likes will be used in the ZWO calendar. The top 3, aka 3 final champions of the year, will be rewarded with ASI cooled cameras.

Top1	Top2	Top3
ASI2600MC Pro	ASI294MC Pro	ASI533MC Pro

*One can only be shortlisted once as the final champion of the year. If more than one image photographed by the same person gets nominated, then this person can only get 1 prize and leave the chances for other candidates in the top 12. However, the champion of the quarter and the final champion of the year can be the same person, which means, he or she may not only be able to win an ASI AIR Plus 256G, but also an ASI cooled camera.*

12. Deadline for image submissions is 00:00 UTC +0. Any images submitted after this time will go towards next week's image of the week. To find out when 00:00 UTC +0 is for you follow this [LINK](#).

*ZWO has the right to use the works participating in ASI WEEK for media promotion and postcard, calendar printing. All works selected by ZWO will be marked with the information of the author.*

13. ASI WEEK does not accept submissions of collaborative works.
